Commander, AAFSE, SHAPE
F.P.O. 510
New York, New York

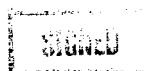

Dear General and Mrs. Lindsay:

I want you to know how much I appreciate the wonderful way in which you took me in tow and made my Naples visit with General Cabell such a pleasant one.

I thoroughly enjoyed the stag luncheon at the Club, and the dinner and beautiful evening on the porch of your home couldn't have been more delightful.

With many thanks and best wishes.

Sincerely,

Assistant to the Director
